

An Illinois Valley SWCD special meeting will be held at the IVSWCD Office on Tuesday, August 5, at 10 AM to discuss the following action items:

1. Hiring Shannon Clark (Grant Well LLC) as a contract grant writer for the Two Rivers SWCD.
2. Hiring Bob Webb as Two Rivers SWCD Conservation Intern.

To ensure transparency, a potential conflict of interest will need to be declared for both positions, followed by board deliberation.

This will be a hybrid meeting. The meeting should last about a half hour. I am including the Zoom link below.
